Nutrition Counseling and Diabetes Education Insurance coverage

Coverage for nutrition counseling with a Registered Dietitian Nutritionist, also known as Medical Nutrition Therapy (MNT), varies with each insurance company and plan within the companies. Some plans cover unlimited MNT visits as part of preventative care while other plans cover a certain number of hours or visits per year. There are also Nutrition Education and Diabetes Education benefits within plans.

Here are some questions that may be helpful in determining coverage with your plan:

*NON COVERAGE DOES NOT MEAN WE CANNOT SEE YOU! Call us! We may be in the process of getting in your network and are still able to schedule appointments.

Date of call: _____ Representative: _____ Insurance Co: _____

Policy type: **PPO HMO POS** Other: _____ Benefit period: _____

Does this policy have MNT? (CPT codes 97802, 97803, 97804) **Y N**
